

# ROHO® QUADTRO SELECT®

## Stability report

ROHO has been providing skin protection, positioning and stability for over 50 years. Recent data from the benchmark Scientific Report\* and additional testing show the ROHO QUADTRO SELECT is a stable option to help support your positioning needs.

\*Nooijin, Kopplin, & LaBerge. (2023) Guidance to individualized cushion selection based on performance metrics: a scientific report.

\*\*ISO 16840-13:2021 and ISO 16840-2:2018 Annex C

\*\*\*ISO 16840-2:2018, ISO 16840-6:2015, and ISO 16840-12:2021

Stability is only one part of the seating solution. Match your individual needs to our cushion thumbprints based on:

- Stability & Balance\*\*
- Pain & Comfort
- Skin Protection\*\*\*
- Positioning & Posture
- Durability
- Transfers
