Panthera X3

permobil

Strong and ultralight for exceptional maneuverability

Designed for experienced manual wheelchair users who need a dynamic wheelchair to fit into their active lifestyles, the Panthera X3 is one of the lightest wheelchairs on the market. It offers multiple configurable options and increased durability with a modern design that enhances both the form and function, all while prioritizing users comfort.

Key benefits:

- Ultra-light weight
- Reinforced frame for users up to 125 kg
- Easy to transport
- Increased rear axle configurability
- Extremely maneuverable
